Concord Hospital continues to work with local and state partners to ensure a consistent and safe approach to COVID-19

Screening, Testing and Support

- As of Monday, April 6, operation of one of Concord Hospital Medical Group’s COVID-19 screening/testing sites, located at Epsom Family Medicine, has been paused due to lack of volume. The site will be reopened as needed. The practice itself, Epsom Family Medicine, remains open.

- On April 6, 10 people visited one of Concord Hospital Medical Group’s two dedicated COVID-19 screening/testing sites. To date, 615 patients have been screened at the two sites.

- As of April 7, 2020, the Concord Hospital health system has ordered COVID-19 tests for approximately 815 patients. To date, the Hospital has received results for 723 patients, which includes 37 COVID-19 positive results. Of the 37 positive results, four patients are currently hospitalized at Concord Hospital.

- Concord Hospital’s COVID-19 Screening and Education Hotline (603) 789-9123 is staffed daily from 8 a.m. – 5 p.m. As of April 6, 2020, Hotline staff have fielded 214 calls.

- COVID-19 screening is available in Parking Lot E on the Concord Hospital campus for any community member who is experiencing a fever or non-critical respiratory symptoms, such as a cough or shortness of breath. The screening tent is open daily from 8 a.m. – 5 p.m. To date, 107 patients have been triaged at this site.

Service Changes

- Concord Hospital Rehabilitation Services is providing telehealth visits for patients. To date, 1,103 telehealth visits have been provided.

- Concord Hospital Medical Group (CHMG) practices have suspended regular office visits and instead are conducting telemedicine/remote visits. On April 6, CHMG provided 384 TeleHealth visits and 55 VideoHealth visits. To date, a total of 6,253 TeleHealth or VideoHealth visits have been provided.

- People visiting any Concord Hospital practice or facility are asked to please wear a cloth mask, face scarf or bandana covering nose and mouth to preserve our limited supply of medical grade masks.
